\*\*\*\*\*

The Government of Tamil Nadu has taken notable strides to provide responsive, accountable and citizen friendly governance through prompt public service delivery system. Most of the basic services are being provided online without the need for citizens to visit Government offices and are being disposed effectively. However, citizens encounter some challenges while availing Government services, like lack of knowledge/information on eligibility and procedures to be followed, difficulty in understanding the procedural aspects like uploading required documents, challenges in use of technology amongst others leading to multiple applications and delays in services offered offline.

2) The Hon'ble Chief Minister taking into account the difficulties faced by the common people, announced in the floor of Legislative Assembly on **25.04.2025**, that **9,000** camps will be conducted across the State to reach out to every family and deliver eligible scheme benefits and services to the citizens in a time bound manner. The Chief Minister also announced that during these camps, applications will be received from eligible left-out women for Kalaingar Mahalir Urimai Thittam.

3) Based on the announcement, the Mudhalvarin Mugavari Department, has sent the following proposal for implementation of **"Ungaludan Stalin"** scheme:

**I)** Under the **"Ungaludan Stalin"** scheme 10,000 camps will be conducted across the State, to deliver the most sought-after services and schemes through localised camps to reach out to the people even in the remote corner of the State. Under this scheme, every house-hold will be visited by a volunteer who will inform the family about the objective and details of the camp, handover the application and pamphlet containing the list of schemes / services, explain the eligibility conditions and documents required to avail those services.

The volunteers, who handover the pamphlets of the schemes will also inform, that the women who are eligible for Kalaigiar Magalir Urimai Thittam (KMUT) scheme, but have been left out in the earlier phase, can attend the Ungaludan Stalin Camps, register and submit application in the KMUT counter.
